## **2015 SCORING GUIDELINES**

### **Question 5**

Analyze the ways in which the expansion of the market economy and new financial practices affected European society in the period 1450 to 1750.

#### **9–8 Points**

- Thesis is explicit and analyzes the links between the market economy, new financial practices, and European society and is specific regarding multiple effects on society.
- Organization is clear, consistently followed, and effective in support of the argument. Market economy and new financial practices need not be discussed separately or compartmentalized.
- Essay is well balanced; all major topics suggested by the prompt are all covered at some length.
- All major assertions in the essay are supported by multiple pieces of relevant evidence.
- May contain errors that do not detract from the argument.

#### **7–6 Points**

- Thesis is explicit and discusses the effects of the market economy and new financial practices.
- Organization is clear, effective in support of the argument, but not consistently followed.
- Essay is balanced; does not focus exclusively on one period, region, or topic; it may discuss economic or financial aspects more than effects on society, or vice versa.
- All major assertions in the essay are supported by at least one piece of relevant evidence.
- May contain an error that detracts from the argument.

#### **5–4 Points**

- Thesis is explicit, but not fully responsive to the question; it may mention only market economy or new financial practices, or effects on society. It may be very general or limited.
- Organization is clear, effective in support of the argument, but not consistently followed.
- Essay shows some imbalance; some major topics suggested by the prompt are neglected. Essays in this category may deal only with overseas expansion, even if they effectively link it to effects on society.
- Most of the major assertions in the essay are supported by least one piece of relevant evidence.
- May contain a few errors that detract from the argument.

#### **3–2 Points**

- No explicit thesis or a thesis that merely repeats/paraphrases the prompt.
- Organization is unclear and ineffective.
- Essay shows serious imbalance, most major topics suggested by the prompt are neglected; it may discuss only economic developments, or may deal only with overseas empires and expansion with no links to societal impact.
- Only one or two major assertions are supported by relevant evidence.
- May contain several errors that detract from the argument.

#### **1–0 Points**

- No discernable attempt at a thesis.
- No discernable organization.
- Only one or none of the major topics suggested by the prompt is mentioned.
- Little or no supporting evidence is used.
- May contain numerous errors that detract from the argument.
