Question 7 of 7		⌚ Show Time	
Directions: In this task, you will be asked to write in Japanese for a specific purpose and to a specific audience. You should write in as complete and culturally appropriate a manner as possible, taking into account the purpose and the audience described.			
<p>You are writing an article for the student newspaper of your sister school in Japan. Write an article in which you compare and contrast texting with a person and talking with a person. Based on your personal experience, describe at least THREE aspects of each and highlight the similarities and differences between texting with a person and talking with a person. Also, state your preference and give reasons for it.</p> <p>Your article should be 300 to 400 characters or longer. Use the <i>desu/masu</i> or <i>da</i> (plain) style, but use one style consistently. Also, use kanji wherever kanji from the AP Japanese kanji list is appropriate. The time you will have to write is indicated on the clock.</p>	<div>Cut Paste Undo Redo</div> <div>Hide Character Count 0</div>
