The interface is a digital test environment. At the top, there's a blue header bar with the AP logo on the left. To the right of the logo are three buttons: "Adjust Display" with a font size icon, "Volume" with a speaker icon, and "Continue" with a right-pointing arrow icon. Below the header, the word "Speaking" is displayed in a light blue bar. The main content area has a white background. A bold heading "Speaking Part Directions: Cultural Presentation" is centered at the top of the content area. Below the heading, there is descriptive text about the task: "You will be asked to speak in Chinese on a specific topic. Imagine you are making an oral presentation to your Chinese class. First, you will read and hear the topic for your presentation. You will have 4 minutes (standard time) to prepare your presentation. Then you will have 2 minutes (standard time) to record your presentation. Your presentation should be as complete as possible." Underneath this text, there is a line of text that says "You will now begin this part." followed by "Select Continue to go on." at the end.
