### AP Japanese Language & Culture - Speaking

#### Speaking Part Directions: School Announcement

Imagine that you are making an announcement in Japanese to an assembly of Japanese students visiting your school. First, you will see some notes in English about what to include in your announcement. You will have 1 minute to prepare your announcement while you look at the notes. Then you will have 1 minute to record your announcement. Your announcement should have an opening remark, details according to the notes, and a closing remark. Deliver your announcement using complete sentences in *desu/masu* style.

You will now begin this part.
