Question 3 (continued)

C. Identify and explain TWO barriers to diffusion from the following. 4 points (2 identifications + 2 explanations) Answers must be from the following, and explanations must match identifications.

Identification	Explanation
C1. Distance or physical barriers	Geographical separation or isolation may limit diffusion between innovators and receivers of new words or terms.
C2. Age barriers	Generation gap; older people may be more resistant to adopt new words or terms.
C3. Linguistic barriers	Popular words or terms don't translate readily to other languages; people act to preserve or protect their language from external influence.
C4. Religious barriers	Religious rules or laws may prevent the use of foreign language or popular culture words or terms; rules or law that restrict behaviors described by the words or terms.
C5. Political barriers	Internet or media censorship in some countries, language protection laws to ban foreign-language media that use new words or terms.
C6. Folk or local culture	Desire to cling to traditions, or reject new forms of language, media, or technology that include new words or terms.
C7. Ethnic culture	The desire to maintain distinctiveness, or identities may insulate groups from certain media that include new words or terms.
C8. Social class barriers	Those with limited access to a form of media or technology will be less likely to have exposure to certain new words; a rejection of another group's words or terms.
C9. Economic barriers	May limit access to media, celebrities, movies, and expensive media, which use new words or terms.
C10. Regulatory barriers	Import laws (customs), trade agreements, media contracts, or media providers delay the diffusion of popular culture, which includes new words or terms.
